Wow! We have reached the end of a very busy Term. I hope that you will all enjoy a relaxing and not too chocolaty Easter break.

Next term looks just as busy with ANZAC Day service, Mother’s Day afternoon tea, Baby Proms, Trivia Night, Fair preparation and perhaps even a library/hall opening??

**Family Fair**

Next term is also a very important term for the preparation of the Family Fair in September. Have you talked with the other mum’s in your class about running a stall? I hear the Kindy mums are going to run “Splat the Rat” and maybe something else too? What is your class or year group going to do? Could you run the Plaster Art? Have a food stall?

In the holidays can you please think about:

- What you are going to do at the Fair?
- What second hand, good quality items can you donate – books, toys and clothes only
- What plants you have in your garden you could divide or grow cuttings from?
- What WPPS history memorabilia do you have?
- Did you go to school here? Do you know people who did?

**Garden Group**

We are going to start a Garden Club in Term 2 for the students to meet on Thursday mornings. We thought we’d start by growing seedlings to sell at the Fair, so if you have yoghurt pots in your home, can you save some for the garden club please. We will have more details for you very soon. If you would like to help out, please let me know.

Please feel free to email me with comments or questions and come to the next meeting to vote on

**Aussie Farmer’s Direct**

Thank you to everyone who has let me know that they are a customer. I am sure there are more in the school, or perhaps your neighbour is. We receive $10 per family registered as a WPPS family every six months.

Can you please email me your name and address so I can let Aussie Farmer’s Direct know that you are a WPPS family. If you have friends and neighbours who also receive deliveries, you can ask them if they would like to be listed as a WPPS supporter so we will receive payment for that link too.

If you don’t know what I am talking about, you can look at their website and think about having your milk and bread delivered. www.aussiefarmers.com.au

**Winter Uniforms**

If you can’t get to the Clothing Pool on a Tuesday, you can fill in an order form (near the clothing pool door, and on the P&C website) and put it in the Clothing Pool box just inside the door opposite the office. Helen and her team will fill the order and have it delivered to your child.

**Parent Business Directory**

Thank you to those who have contacted me. This directory will be put onto our website during the holidays. To pay for your listing, you can place a cheque in the P&C box or deposit $20 in the P&C account (BSB: 032 281 Account no: 96 0695) making sure you include your name.

You can still add your business to this directory once it is set up.

If you are interested, please send me your details – Your name, business name, contact phone and email. Please also include no more than 50 words describing your business.

**Next P&C meeting**

Do you have questions about school fees? school activities? school support? The P&C meeting is the place to ask these questions and discuss them, rather than the playground. At the P&C meeting the school can respond to the queries and explain the reasons behind them. If you have any issues that you’d like raised at the next P&C meeting, please let me know and then come along.
