Did you see the hall floor going down?? Isn’t it exciting! Shouldn’t be too long now! We are looking at organising each child in the school to decorate a tile for the inside wall of the hall.

Thanks to everyone who came to the P&C meeting on Monday night. It was great to hear what has been going on with the various activities throughout the school. We voted on and approved the allocation of P&C funds for the school for 2010 – Library Resources, Interactive White Boards and STLA.

The P&C are purchasing a new coffee machine and are grateful to Alistair Clubb owner of Appliance Maintenance Company for supplying one at a great discount.

We are moving on to the next stage of fixing the canteen. Are there any families in the school who would like to quote on the renovation of the canteen? It includes some internal and external structural work. We are also looking to refurbish the inside. Is there anyone who is able to source appliances and equipment at good prices or who is willing to take on the task of contacting businesses?

Social Activities
The Pub Night last term raised just over $1000 for the P&C and Matt and Kath are already onto organising the next event – Trivia Night. This will be held in the new hall on Saturday 19th June. The theme is “Rock Gods and Music Legends” so re-book your babysitter, get a table together and be inspired to dress up. More information will be out soon.

Family Fair
The Family Fair is well under way. Thank you to those who brought second hand items in the other weekend (and helped to store them despite lack of lights). The next collection day is Saturday 19th June. Please remember that we are only collecting books, clothes and toys that are in good condition. We are not collecting general items for this Fair.

People are still needed to run a couple of savoury food stalls. Do you have suggestion or would you and some friends like to sell hot chips?

Thank you to the Owens’ who have donated printing to the Family Fair, Matt Lorimer and McGrath Real Estate for offering sponsorship for the Historical Display and general needs and to the Before and After School Care for donating a stall at the fair. We really appreciate the financial support of local businesses as well as the time that parents give. If you have a business and would like to consider being a Community Partner for the Family Fair, please contact me.

Community Activities
Thank you to Nahid and Chrissy for organising the Baby Proms for around 100 preschoolers yesterday and to the parents that helped with the morning tea. We hope that the preschoolers and their parents enjoyed their visit to our school.

Parent Business Directory
The following three entries have started off the West Pymble Public School Parent Business Directory. It can be found on the P&C website. This is the first place to look if you need goods and services. If you would like to have your business listed here, please contact me.

Aussie Farmer’s Direct
Thank you to everyone who has let me know that they are a customer. I am sure there are more in the school, or perhaps your neighbour is. We receive $10 per family registered as a WPPS family every 6 months.

Can you please email me your name and address so I can let Aussie Farmer’s Direct know that you are a WPPS family. If you have friends and neighbours who also receive deliveries, you can ask them if they would like to be listed as a WPPS supporter so we will receive payment for that link too.

If you don’t know what I am talking about, you can look at their website and think about having your milk and bread delivered.

Next P&C meeting
Do you have questions about school fees? School activities? School support? BER? The P&C meeting is the place to ask these questions and discuss them, rather than the playground. At the P&C meeting the school can respond to the queries and explain the reasons behind them.

If you have any issues that you’d like raised at the next P&C meeting, please let me know and then come along.
