At Family Fair on Sunday 13th September:

- The kids will have a great time.
- You will help raise funds to improve the resources and facilities at school – including canteen renovations and support your child’s education.
- By being part of the Fair, you’ll get to work with other parents in your child’s class or year.
- The School will be on display to the local community.
- Collection of historical memories of the school for the 2011 celebration of 50 years.

The last Fair (2007) was fantastic and this one is going to be even better with the new facilities to utilise. There is always a great atmosphere of fun and community.

It won’t happen without your input. Quite a few of you have volunteered to help run a stall, organise an area of the Fair or undertake behind the scene activities, but I am pretty sure more of you are looking for something to do. Now is your chance to step up.

There are only 15 weeks to go and there are still lots of areas where your help is needed:

- Are you an electrician?
- Would you like to run a food stall?
- Do you have second hand books or clothes at home to donate?
- Can you help with one of the stalls? Eg. Pirate Cove
- Can you help with supplies for the stalls? Making things, supplying jars, material, plants, food supplies?

If you don’t know where to assist, just email me and I’ll help find you something.

We are also looking for some Community Partners to help fund the Fair. Can your business assist? Can you make some phone calls to local businesses to seek their assistance? If you can help with the school Community Partners program, please contact Catherine.

Trivia Night – Friday 30th July

This is a final date for the Social Event of the middle of the year. So, confirm the date with your babysitter and think about your costume for the “Rock Gods and Music Legends” theme. A booking form for your table of eight will be out soon.
