“STRANGER DANGER”

Dear Parents

I have been made aware of a matter that I would like to bring to your attention.

We have been informed by Turramurra Public School that last Friday afternoon at 3.05pm a child was approached by a man in the playground and encouraged to go home with him. Fortunately, the child refused and the man walked away.

Please be aware of this matter especially if you see someone acting suspiciously within the confines of the school grounds and in the general neighbourhood. If you do see someone acting suspiciously please contact the school office or a member of staff as soon as possible or contact the Police.

It would be advisable that students walk to and from school together in groups or parents/carers meet students at bus stops.

Please discuss with your child the importance of Stranger Danger. Your child needs to be alert and always walk with a friend and to look out for one another.

Yours sincerely

Bronwyn Wilson
Principal
