2012 OBSTACLE-A-THON

Dear Parents

This year all students from Years K to 6 are invited to participate in a fundraiser to raise money for the restoration of the Multi purpose Court.

Due to the popularity of last year’s event, we will again be holding an Obstacle-a-thon on Monday 2nd April. This event will give children the opportunity to complete a fun circuit on an inflatable obstacle course. Children are asked to collect sponsorship per lap of this circuit from family and friends.

An Obstacle-a-thon gives students the opportunity of completing a circuit on an inflatable obstacle course (similar to a jumping castle). We have chosen the “Footy Challenge Obstacle” provided by Planet Entertainment. Due to time constraints and the anticipated fun and excitement of this event we have concluded that each child will complete 10 laps only of the circuit.

Today, the students will receive a sponsorship form. We are asking that they approach family and friends to sponsor them by making a donation. If they require more forms they will be available on the school website or from the office.

We would appreciate that all donations and sponsorship forms are returned to school by Tuesday 27th March 2012 (Week 10 Term 1) to ascertain the winning classes that will gain extra time on this circuit.

The class that collects the highest sponsorship money also wins the opportunity to use the obstacle course during their lunch time, as does the class that collects the second highest sponsorship money will use the course during recess. The student who raises the highest amount will be awarded an individual prize.

Therefore we request that students must bring all collected sponsorship monies prior to the day of the event to confirm the winning stage/class. Only collected sponsorship money will be included in this total on the day of the event, not anticipated sponsorship money.

The Obstacle-a-thon will be completed over the course of the day with each class given an allocated amount of time during the day depending on their number of students.

All students will need to wear their sport uniform, hat and sunscreen.
