SCHOOL SWIMMING SCHEME
Expressions of Interest

Dear Parents / Caregivers

Arrangements have been made to include a learn to swim program in our school curriculum. The Department of Education and Communities School Swimming Scheme is an intensive learn to swim program, which develops water confidence and provides students with basic skills in water safety and survival. The Scheme is conducted over nine days. Each daily lesson is 45 minutes.

Students who have not reached a satisfactory standard of water safety and survival skills and are unable to swim 25m confidently unaided in deep water are eligible to participate in the School Swimming Scheme. The Scheme focuses on weak swimmers in Year 2 to 6 as well as students with special needs such as new arrivals in Australia and students with disabilities.

Instruction will take place at Macquarie University swimming pool. The Scheme will continue daily for two weeks from 10th September to 20th September. There will be no charge for instruction.

Year 2 students will be involved in the Swimming Scheme. We have 24 spots available for students in Years 3-6 to attend. If you would like your child to participate please fill in the slip below and return it back to school as soon as possible. A further note will be sent with information and costs.

Regards
