Dear parents/carers,

All students in years 3-6 will be given the opportunity to participate in the NSW Primary Schools Multicultural Perspectives Public Speaking Competition. Students in years 5 and 6 are to choose one of the below multicultural topics and write a four minute speech. Classroom teachers will hold an internal class competition to choose the best two speakers in their class to compete in the West Pymble competition. Teachers will choose two students in Stage 3 to represent our school at the competition.

Those two students who are chosen will present their speech along with a one minute impromptu speech at the NSW Primary Schools Multicultural Perspectives Public Speaking Competition. More information will be given to those students chosen throughout the term.

Students are to hand their speeches to their classroom teacher by Monday 6th March.
